

The Ethiopian Edir Mutual Assistance Association in New York, Inc. (EEMAA) is celebrating its 25th anniversary!

For 25 years, EEMAA has proudly served the Ethiopian community throughout the Tristate area (specifically the New York metropolitan area) providing mutual support and standing together with our members during some of life's most difficult moments.

As we celebrate this important milestone, we remain committed to a vision of a united Ethiopian community -- one that embraces and respects us all, regardless of religious faith, ethnic background, political perspective, or other differences.

Our journey would not have been possible without the vision, dedication, and resilience of EEMAA's founding members. We are deeply grateful for the foundation they built and the enduring legacy they have left for generations to come.

We also pause to remember with love and respect all EEMAA members whom we have lost over the years. Their lives, contributions, and memories will forever remain part of our community and our history. **May their souls rest in eternal peace.**

As we look back with gratitude and look ahead with hope, we invite our members and the broader Ethiopian community to continue building a stronger, more compassionate, and united community together.

25 years of standing together.
25 years of caring for one another.
25 years of community.
